

16 Teams Enter State Semi-Pro Baseball Tourney at Torrance

With 16 teams already entered in the tournament which begins Saturday afternoon, July 6, the outlook for the fifth annual series of semi-pro hard ball games for the state championship at the Torrance city park diamond this week appeared exceptionally favorable for a close, hard-fought series.

Clubs whose managers have informed Dale Riley, state baseball commissioner, will enter the tournament for the \$500 prize and a large gold trophy are: Torrance-Lomita Indians, Bank of America, Chet Ralph's Chevrolet from West Los Angeles, Dr. Ross Dog Food, Gaffers & Sattler of Burbank, Lockheed Aircraft of Burbank, Montebello Merchants, North American Aviation, Pepsi-Cola, Pomona Merchants, Santa Monica Trainmen, Standard Oil Refinery of El Segundo, Wilmington Merchants, San Pedro Longshoremen, Junior Giants of Long Beach and Pismo Beach.

Other teams are expected to join the tournament within a few days until at least 20 are definitely in the running. Sponsored for the second year by the Torrance Chamber of Commerce, the tournament is expected to draw even more spectators than the number (estimated at 15,000) who thronged the city park diamond last year to see the Shell Oil Refinery team win the 1939 championship.

Soft Ball Teams Draw Fans to Park Monday

The double-header softball games at Torrance city park diamond on Monday nights are popular with fans. This week the Taste Beverage girls defeated the Redondo Belles behind the two-hit pitching of Ray Tarango, 13-year-old hurling sensation. In the second game, Hydriol won a 7 to 6 decision over the Torrance Moose lodge.

Johnny Parker, manager of the Moose team, will bring another top-notch club to meet his squad here next Monday night while the Taste girls will play Chet Ralph's Colored Girl Stars from Santa Monica. The colored girls will stage an impromptu show between the first and second game. The contests will start at 7:30 o'clock.

SIGNED BY CLEVELAND

Jack Bonnell, former Compton Junior college player who has been holding down the short-stop berth on the Torrance-Lomita Indians ball club, has been signed to play for Cleveland, according to Manager Walt Morris this week.

School Heads Seek Methods to Protect Books, Equipment

New methods of safeguarding school property, such as textbooks and laboratory apparatus, are expected to be evolved by a special committee of educators before the fall school term opens, as the result of a conference in Los Angeles called by Dr. Walter F. Dexter, state superintendent.

The change is necessary because Attorney General Earl Warren ruled recently that schools cannot require students to make deposits to assure the return of school property or to protect it against unwarranted wear or damage.

"Enrichment of the curriculum through activities financed by fees for membership in student organizations may be severely reduced," Dr. Dexter stated. "Because the law permits voluntary membership in student organizations and voluntary payment of membership fees or dues, a study of activities supported by student fees should be made to find methods of maintaining activities that have been developed through voluntary cooperative activity of students."

Lomita Scouts Win Top Honors at Camporal in Torrance City Park

Junior Musicians May Join New Orchestra

Planning to continue rehearsals thru the summer months, Robert Resta, conductor of the San Pedro Civic Symphony Orchestra, announced this week that he will accept a limited number of additional musicians for the group. Auditions will be held Saturday, June 15, for talented young musicians between the ages of 10 and 16 at 1175 Tenth street, San Pedro.

Thief Is Vandal, Too

Lomita Boy Scout Troop No. 215, headed by Ed Barth, topped all other troops in performing camp duties and games at the Scout camporal held last weekend at Torrance city park, according to results announced this week by Herbert S. Kennedy, field commissioner and chairman of the camporal judging committee. Harbor City Troop No. 214, Pat Dennis, scoutmaster, was second.

More than 130 Scouts participated in the outing, which opened last Saturday afternoon with pitching of camp. Parents and friends of the Scouts gathered at the park later to watch the various demonstrations and games. In the evening the Scouts entertained more than 70 spectators at their game campfire program.

The fire was lit with a flaming arrow after an old Indian legend and around it the Scouts presented a program of community singing, games and skits. Lighting of the fire was in charge of Ray Burdick of Redondo Beach, and his sons, Glen and Jay.

The character building and citizenship aims of Scouting were stressed Sunday morning by Rev. Frank T. Porter of the Torrance Christian church at a religious service which preceded breaking of camp. Other troops and scoutmasters attending the camporal were Keystone, Ray Krieger, scoutmaster, and Torrance, Merton Gilbert and Clyde Bodley, scoutmasters.

The Valley Realty Company, thru their Welteria representative, Mr. Joberg, phoned the Herald-News office the other day to "kill" their want ad containing a property offered for \$1,600. It was sold to a want ad respondent the second day after the ad appeared during our recent holiday period.

This goes to show that when people want to buy, rent, exchange, sell, hire help, or get work, they want it right now and, holiday or no holiday, they'll read the want ads. You'll find for from 25 cents to \$1 you can dispose of or get what you want by the use of our want ads if there is anybody wanting what you wish to dispose of.

Why not try? Just phone, Torrance 444, and ask for Dottie Lee or Betty Brown.

Junior Indians Win As Seniors Lose Last Sunday

Walt Morris' Junior edition of his Torrance-Lomita Indians showed their seniors how to play ball last Sunday at the Torrance city park diamond when they defeated the Union Tile club 2 to 1 after the regular Indians had lost the opening game of a double-header 4 to 2 to Goodman Sons.

Lefty DeHoag, recovered from a recent injury, suffered when he was hit in the eye by a line drive, pitched the first game with Joe Conroy catching. Jack Papke was on the mound for the second fray, allowing but four hits. Bartlett was the receiver. Papke blasted a sixth-inning home run to win his own game, breaking a tie with the four-bagger.

Next Sunday the Torrance-Lomita Indians will play the Iron Workers' Union in the first game of a double-header and will engage the East L. A. Merchants in the closer. The games will start at 1 o'clock.

7 Marine League Trackmen Score at All-City Meet

Only seven of the 19 Marine League qualifiers finished in the winning points column of the All-City track and field finals held at Los Angeles Coliseum last Friday. San Pedro's four-man 880-yard relay team was the only Marine League entry to capture a first place in the prep contests as Jefferson high school walked away with top honors in three divisions.

The Pirate relay squad gave a record-breaking performance, being timed in 1:31.2, which clipped the mark formerly held by Rils. The San Pedrans captured nine points in the meet. Carter of El Segundo was third in the half mile and the Oiler relay team took third. Dick Frey scored Banning's only point with a fourth in the shot. Patrick and O'Hara won points for Narbonne in the hurdles and pole vault while Trezise tallied for Torrance in the high barriers.

Selby of El Segundo was the only Marine Leaguer to score in Class B, getting second place in the 660-yard run.

San Pedro scored 13 points to finish third in the Class C scoring, having five entries to nab markers. Martinez and Aracham were third and fourth in the 660-yard run. Shimizu Ayers took fourth in the 120-yard low hurdles and Marumoto was second in the shot. Yasunaga of Torrance and McNeil and Riggs scored for their schools.
